Term 4 - Week 10

Thursday 15 December 2016

Newsletter No: 21/16

## **Nga mihi nui ki a koe me tō whanau. Greetings to you and your family..**

The end of any year is a time for celebration and reflection and there has certainly been a lot to celebrate in the two weeks since our last newsletter. In that short time, so much as happened.

Our senior students, their teachers and families have demonstrated the "caring" and "connected" part of our vision in action, creating care packages for those affected by the devastating Kaikoura earthquakes.

Our Year 6 leavers have done us proud at a wonderful leavers' dinner and celebration.

Our speech makers, athletics team, track cyclists and choir have shone at various community events. Our explorers have represented us so well on their end of year trips to Raglan, Hamilton Zoo, Te Awamutu Event Centre or Hamilton Zoo.

The Education Review Office (ERO) has also published our report, confirming the awarding of the highest possible return time of 4 - 5 years and celebrating much of our wonderful practice. I encourage you to visit [www.ero.govt.nz](http://www.ero.govt.nz) type Goodwood into the search box and enjoy a read of our 2016 report.

Earlier this week you will have had the opportunity to read your child's report and to celebrate their achievements. It is also the time that we say farewell to those who are leaving. We are going to miss our outstanding group of Year 6 students as they complete their last few days at Goodwood. We know that you will all thrive at your new schools. We look forward to hearing of your ongoing success and encourage you to keep in touch with us. To those families who have the youngest of their children leaving Goodwood, we thank you for your support and contributions, often over many years. We also farewell those staff members who are moving on to their new challenges. Thank you for your work as part of the Goodwood team and all the best with your future endeavours. To everyone, on behalf of all of us at Goodwood, enjoy a restful, happy and refreshing festive season.

Warm regards

David and the Goodwood Team

## **Staff News**

We would like to welcome Jenny Comer to our office team. Jenny brings 15 years of school office experience to Goodwood School. Her previous role was at Karapiro School.

Jenny has a great understanding of the essential role that school office staff play in supporting children, families and staff. She also brings those essential finance, audit, payroll and school management system skills we so desperately need to find following Denise's wonderful years of service.

Jenny starts work on Monday 23 January and her first priority will be to get to know as many of us as possible. Please pop into the office in the New Year to introduce yourself and meet Jenny.

Your child will be learning with a home room teacher and home group of students who they will have met today. Our home groups will be working in partnerships of two or three as indicated above and your child will benefit from the expertise, talent and care of the two or three teachers in each partnership. Your child's home group teacher is your (and their) go to teacher in the first instance but all teachers in their partnership will have a collective responsibility for the learning and well-being of your child.

We know that teaching is an increasingly complex profession and that learners benefit when educational professionals collaborate to design and deliver the best possible learning programmes. We have spent countless hours developing the most effective partnerships and class placements possible. We have been excited by the success of the teaching partnerships we have established in 2016 and the student voice in reports demands that we continue to develop this highly effective concept.

Thank you for supporting your child with their class placement and helping to build their excitement about the unlimited possibilities for learning and friendship that a new year brings.

## Camp Dates

**Our camp dates for 2017 are confirmed!**

Camp Raglan will take place for all Year 3 and 4 Goodwood Explorers on 23 and 24 February 2017.

Senior Camp will be a little different next year. We will be changing coasts to explore Waihi and surrounds. We will be taking **all** Year 5 and 6 boys to camp from 14 - 17 March 2017 and all Senior girls to camp the following week 21 to 24 March.

We are REALLY excited by the possibilities camps with smaller numbers may bring! Mums or Dads may attend either camp. We have booked Port Waikato in 2018 for a regular biennial whole senior team camp.

## Year 6 Dinner

Thank you to Mirjam, Hilary and the incredible team who delivered a magical Year 6 farewell. Thanks also to World and Olympic champion rower Eric Murray who did a superb job as guest speaker and helped to serve dinner!

# Stationery Lists

## There are three easy ways to sort you stationery requirements for 2017

1. Log into [www.myschool.co.nz](http://www.myschool.co.nz) - **These will be available from 11 January 2017**
2. Pop into Wrights Paper Plus in Cambridge to see Hamish and the friendly team. Let them know you are from Goodwood School and the year level of your child.
3. Take the list below to the supplier of your choice. Please use caution with option 3. While we can assure you you will receive quality equipment from the two suppliers indicated above, not all stationery is created equal! Some pencils seem destined to continuously break and some books have fewer pages, poor quality paper and the cover falls off after first use. Please support your child by choosing quality stationery - they will use it a lot.

**THE WONDERFUL PAY IT FORWARD TEAM ARE IN NEED OF SOME SUPPLIES FOR THEM TO COOK UP A STORM OVER THE HOLIDAYS READY FOR NEXT YEAR:**

**If you can donate any of the following please pop them into the office.**

**MINCE – BUTTER – PASTA - TINS OF TOMATOES – SUGAR - FLOUR**

# Pay it Forward!

Thank you for your generous donations when we ask for it, donations of groceries and your precious time, we really appreciate it and we couldn't do it without you.

Remember, you can nominate for any reason you see fit – someone who is working extra hard, who has done wonderful things for the community, or it could be someone who could use some TLC, perhaps an illness in the family or a job loss?

New babies and moving into district are wonderful life celebrations but they don't come without stresses! Perhaps you know a family who could really just use a night off cooking.

Due to lots of nominated families received meals our freezer is looking very low right now. We would love donations of mince, butter, pasta, tins of tomatoes, flour & Sugar. If you are unable to donate any foodstuffs but you want to cook up a meal please pop in an ice cream container, labelled into the office.

Don't forget to like and share our page!

I know of .....

Who would be grateful for a gift of a meal right now because:

.....  
.....  
.....

They can be contacted on .....

**A limited amount of pool keys are still available to purchase for school families and other members of the community**

**They can be obtained from the school office for \$45.00 each.**
