Tumuaki / Principal's Column

Kia Ora e ngā whānau me ngā hoa o te Kura Tuatahi o Goodwood.

We are looking forward to a very exciting morning at Goodwood on Wednesday 22nd June.

We will be repeating last year's very successful Matariki breakfast! This year's event will also include the blessing by mana whenua of our latest two new classrooms and the Jesani Health Enterprises Goodwood School playground! The event opens early at 6.00 am with the opportunity to warm yourself by our fires and (weather permitting) view the Matariki star cluster.

At 7am Harry Wilson from Ngati Koroki Kahukura will lead us through the blessing of our new spaces. At around 7.30 am Waipa Mayor Jim Mylchreest will officially open our new playground. From 7.30 am you will be able to enjoy breakfast from any of our classrooms and our kapa haka will round off the morning with a performance at around 8.45 am.

Further details are below. We hope that you will join us. To help ensure the success of the morning we are asking for volunteers to support us. Your explorer's teacher will be in touch with details.

Thank you for supporting our teaching team with next Tuesday 7th July's teacher only day. We hope that an extra day at Queen's birthday will be a little mid term refresh as the winter ills and chills start to appear. As always, we have child care available at school if your explorer needs to attend school that day. Our Teacher Aide and after school care teams have an exciting programme planned.

If your child does need to attend but cost is an issue - then please let us know and we can help. Teacher only days do not reduce the set number of days that a school must open for the year. You may notice that we will finish a day or two later than some other kura this year.

Ngā mihi

David & the Goodwood Team

Goodwood School News

Last week we were overjoyed to come together as a whole school with community for the first time since August 2021. Thank you Te Kohanga for hosting us. Our next whole school hui will be in Week one: Rāmere 10 June at 9:10am. Rūma Pīwakawaka and Ruru will be hosting us. More details to follow.

Goodwood School was a sea of pink last week as we celebrated bullying free week with a māwhero pink shirt day. In addition we raised \$228 for the Mental Health Foundation. Bullying is a complex issue that requires society wide solutions. We are committed to playing our important part.

Congratulations to these explorers who have won our design a science poster competition as part of our recent Science Week. Thanks also to the parents with science based careers who visited to speak to our explorers.

We were represented by nine explorers at Leamington School for a recent Te Ohu Kaiarahi o Te Kapua Iti session. This kaupapa brings together leaders from schools across Cambridge to strengthen connections, build leadership and express culture. Congratulations to our explorers who all did a great job and kia ora koe Sienna who received an award for her mahi. Thanks to Mat, Alana and Tracey for helping with transport and to the kaimahi who made today possible. The opportunity is currently over subscribed but we will let you know if more places become available

Winter sport is underway!
It is awesome to see our explorers showing GRIT on the field.
Our school values of generosity, respect, integrity and trust were out in force as teams played as a team, supported each other, passed the ball and had fun.
A huge shout out to the supporters on the slide line - encouraging everyone to step up and have-a-go.

Absences:

If you are keeping your child at home please inform the office as soon as possible. There are still many absences that have to be followed up and it is very time consuming. Trudy is away for the last 2 weeks of term 2 so we ask that you please either ring, email or use the app to let us know. This will make it easier for Jenny. Our school app is a great way to notify the office - you can send a message anytime.
