## Tumuaki / Principal's Column

*Kia Ora e ngā whānau me ngā hoa o te Kura Tuatahi o Goodwood.*

What a wonderful morning at school last week as we celebrated Matariki and blessed our new classrooms and playground. It was so good to be joined by you, our community, as we marked a significant stage in the development of our kura. We were honoured by the presence of our mana whenua who led the blessing of our new learning and play spaces. It was very special to hear the karanga of Whaea Lee Ann as we moved into the new classrooms and the karakia led by Matua Harry and Matua Karaitiana. The mana of the occasion was further enhanced by the presence of Mrs Glen Reid, Don and Heather Heaslip and the Mayor of Waipa Mr Jim Mylchreest. We also got to thank, in person, some of the many people who have made this project a reality.

These included architect Matt Whitmarsh, our Ministry of Education support team, building committee chair Scott Deschenes and the tireless Mr Keane.

Our new Jesani Health Enterprises Playground, sandpits and playboat are being used as designed, as spaces that bring our explorers together for fun, creativity and friendship. Thank you to our many sponsors, your support made this possible.

A reminder that our board of trustees elections are approaching next term. If you believe that you can contribute in this rewarding role then please consider standing. Our current board has planned a wine and cheese evening on **Monday 25th July** starting at **6.30 pm**. Our current trustees will outline their roles and can answer any questions that you may have. This will be followed by our regular July meeting. You are very welcome to attend either or both. Please add the date to your calendar. Nominations close on **Wednesday 3rd August** and the election date is **Wednesday 7 September**. This [Community Member Guide to the Role of School Boards](#) provides information on what school boards are, the role of members, and how to become a board member.

## Goodwood News

We had a great start to our week with THREE times and current Motocross WORLD CHAMPION Courtney Duncan visiting our kura. Courtney spoke about her amazing career and encouraged our explorers to follow their dreams, work hard and they will come true. Thank you to Mike Cotter and the team from [Kawasaki NZ](#) for making Courtney's visit possible.

Thank you for your support for our recent teacher only day. Team Goodwood spent a big day out at Lake Karāpiro with nearly 500 other Cambridge teachers from ECE, primary and secondary sectors. The team listened to keynote speakers and attended breakout sessions covering a range of current topics in education. Team highlights included listening to mana whenua stories, Adam Poka sharing his journey about Matariki and Sophia Goodrich.

We were recently represented by nine explorers at Cambridge East School for a Te Ohu Kaiarahi o Te Kapua Iti session. This kaupapa brings together leaders from schools across Cambridge to strengthen connections, build leadership and express culture. Congratulations to our explorers who all did a great job and kia ora kōrua Loki and Aston who received awards for their mahi. Thanks to Meshy, Charlene and Tracey for helping with transport and to the kaimahi who made the day possible. The next session will be hosted at Goodwood..

A number of whānau have asked whether it is too late to order a tile for this wonderful piece of art next to our playground?

We have space to add just **12 more tiles** only so will do one more **very last order** for Splashy. Seven of these tiles are already booked leaving just **5 remaining spaces**. If you would like to order one of these final tiles then please contact [david@goodwood.school.nz](mailto:david@goodwood.school.nz) asap - orders will close when we receive the last booking. The cost is \$145 including manufacture of the tile. Funds will go to an important next project - adding a shade sail to the new sandpits.

Please check out lost property before the end of the term
